

IELTS WORKSHOP

Do you want
to increase your
IELTS SCORE?

Guaranteed Success!

Sunday Nov 10, 2013 1-4pm

IELTS Workshop

The International English Language Testing System (IELTS), a standardized proficiency exam, has become the world's most popular English language test for academic, employment and immigration purposes. This course will not only allow you to successfully pass the IELTS exam, but will also help you build the confidence to engage in new and interesting activities, and increase your chances of being accepted into your desired college or university. Language exercises, practice tests, and lots of opportunities to practice your skills will allow you to excel across all four language skills – **listening, reading, writing, and speaking.**

This IELTS Workshop is

Where: inlingua Victoria College of Languages
Suite 101-910 Government Street,
Victoria BC V8W 1X3, Canada

Held by: Experienced IELTS Examiner
